
Objective

To lead and develop youth soccer players through structured training, strong fundamentals, and a positive team culture. I am committed to creating an environment that is competitive, engaging, and safe, where athletes can build confidence, discipline, and a genuine love for the game. My goal is to mentor young players, promote teamwork and respect, and contribute to the continued growth and strength of soccer within the community.

Coaching Experience

Private Soccer Coach | Qumtak Soccer Aug 2019 – Present

- Design and implement structured training sessions for youth athletes focused on technical skill development and game awareness.
- Train players in core soccer fundamentals including passing, dribbling, shooting, and positional movement.
- Incorporate decision-making and situational drills to improve athletic awareness and overall game intelligence.
- Use personal competitive playing experience to create relatable coaching moments and a positive learning environment for athletes.

Head Coach | Andover Recreation & Youth Services Nov 2025 – Present

- Lead a winter soccer program serving more than 70 youth participants.
- Coordinate with coaching staff to organize structured training sessions that promote engagement and skill progression.
- Provide leadership and mentorship to assistant coaches to maintain consistent coaching standards across the program.
- Ensure all players remain actively involved while offering additional support to athletes who require extra guidance.

Head Coach | Reading Recreation Feb 2026 – Present

- Support youth soccer programming and assist with training sessions.
- Lead warm-ups and skill preparation for older age groups prior to gameplay.
- Maintain an organized and engaging environment that encourages participation and teamwork.
